DESIGN PATENT APPENDIX

To All Whom It May Concern:

**Appendix**

Attached hereto and submitted herewith as a part of this application is an Appendix to the Specification, which includes drawings and digital images of a hooded garment according to the present invention.

The Applicants regard their design as that shown in the Figures in the Specification and Appendix and any and all parts, portions, elements and/or combinations thereof. Color and texture may or may not form part of the claimed design. The Applicants reserve the right to claim any part, portion, element and/or combination thereof of the disclosed design, including to replace any solid line with a broken line to disclaim any part, portion, element and/or combination thereof of the disclosed design, or to replace any broken line with a solid line to claim any part, portion, element and/or combination thereof of the disclosed design. The Applicants also reserve the right to create line drawings from any of the digital images included in the application.

Upon allowance, and if authorized by the Applicants, this Appendix may be deleted, to remain a part of the file, and need not be printed as part of any patent that may issue.

The Examiner is not authorized to make any substantive amendments to this specification or claim unless explicitly authorized by the Applicants or their representative to do so. The Examiner is respectfully requested to contact the Applicants' representative in the event such authorization is desired.
